

President's Message

By the time you are reading this, the civic election will be over and the capital plan plebiscite hopefully has been passed and we can start working on the renewal of our new community centre.

Marpole-Oakridge Community Centre AGM will also be over and a new board of directors will have been elected. If you wanted to join the board and missed out this year, there is always next year. So if you would like to help decide on how your community centre is being run, or would like to join any of our committees, please email ronaldly@hotmail.com or contact the community centre at 604-257-8180.

In the meantime, we continue to strive to be a vibrant community centre offering friendly and affordable programs for the whole family.

Enjoy your community centre!

Ronald Loui-Ying,
President, Marpole-Oakridge Community Association
